

GLOBAL ALCOHOL POLICY CONFERENCE OCTOBER

The Global Alcohol Policy Conference (GAPC2023), "Investing in People before Profits: Building Momentum towards the Framework Convention on Alcohol Control," will be held from 24 - 26 October 2023 in Cape Town, South Africa.

PLENARY SPEAKER

Duong Vu

East Asia Pacific Regional Technical Specialist, Alive & Thrive
Chairwoman of Scaling Up Nutrition Civil Society Alliance in Viet Nam

Duong Vu has a decade of experience in policy advocacy, project management and partnership development in new-born care, equitable health financing, and democratic governance. Duong leads the strategy development and execution of work plans for health systems strengthening in Viet Nam and plays advisory roles in the replication in East Asia Pacific. With a passion for bringing technology to social impacts, Duong leads the development of artificial intelligence-powered applications assisting health inspectors in detecting Code violations on digital platforms. VIVID (Virtual Violations Detector) is now available for Viet Nam and is being expanded to other countries. Duong represents Alive & Thrive to chair the Scaling Up Nutrition Civil Society Alliance Network of 14 INGOs and LNGOs in Viet Nam. She is based in Hanoi, Viet Nam.

Duong in her presentation at GAPC 2023 will be sharing her experience on "An Artificial Intelligence tool to monitor alcohol marketing in the digital environment".
